## We Are Officially in Packing Mode!

As we prepare for construction, ministry areas throughout the church are beginning to pack and move their supplies into storage.

**We need help!** If you're able to pack, organize, carry boxes, or help a ministry move its supplies, please reach out and offer a hand. **Our** AWANA and Children's ministries have some of the largest areas to prepare, so Choya, Penny, and Cathryn are great people to ask if you're looking for somewhere to help.

**We also have larger** and heavier items, including wall-mounted TVs, that will need to come down. If you're strong, handy, or comfortable helping with that type of work, your help would be especially appreciated.

We will also be scheduling a final packing and clean-up day, so keep an eye out for that date.

*There is a place for everyone to help as we get our church building ready for construction!*

## **Above All, We pray God's Will be done**

*To add a prayer request to the prayer list, please let Pastor Paul or a deacon know, or use a prayer slip from the seat back.*

Help us share the love of Christ with children around the world through Operation Christmas Child!

Build a Shoebox Online: Invite your family and friends—near or far—to join us! For \$30 per box, you can build a shoebox online using our church link or QR code. Every box built through our link counts toward our church total, and you can even track where your shoebox goes!

**Donate In Person:** We are still collecting items for our church packing day! During construction, all donations will be safely kept in our storage containers rather than inside the church building. Please see Luanne Hunt or Deacon Bryan Hunt for a list of needed items or to make arrangements to drop off your donations.
